

In the wake of Covid-19, Wild Bill's is taking precautions to protect guests and staff at your events. We are actively following guidelines received from State and local authorities.

To help slowdown the spread of the virus, we are taking the following safety measures:

1. Wiping down equipment with antibacterial cleaners before and after each event.
2. All our staff will wear masks.
3. Hand sanitizer on all tables.
4. Staff are being prompted to wash their hands upon arrival, during breaks and before they leave events.
5. All staff have been instructed to stay home if they show any signs of an illness or think they have been infected. Our event managers have been notified to send home anyone who arrives to work with any cold-like symptoms.

In addition to the safety of guests and staff, we would like to assure our clients that we have your interests at heart. During this unprecedented time, we will be honoring requests to postpone events. We are adjusting our policy in regard to cancellations; deposits may be applied to a future event for up to one year without penalty.

Most importantly, our thoughts are with those already dealing with the virus. We hope you and your loved ones stay safe and healthy.

The Team at Wild Bill's
